

Wake up Canadians!

September 10th, 2008

Step up for Canada

The **coast to coast rally** that will change the core of Canada's Health Care

Keep the right to access safe and effective supplements and food.

Protect the right to make personal health decisions.

Safeguard your right to choose who and what you use to maintain or regain your health.

It's your body ~ It's your life ~ It's your choice

Be a truly free Canadian today and always.

Will you step up for Canada?

A Ground Breaking Health Care Solution

Since its introduction there have been staunch anti-BILL C-51 campaigns. While much has been said about the downfalls of this Bill, there has been no solution offered until now... Read it for yourself. A revolutionary document that will set a new order for Health Freedom in Canada and Globally. This new construction of law for Health Freedom will be available for download September 10, 2008 on www.charterofhealthfreedom.org.

One Day ~ One Nation ~ One Rally

September 10, 2008.

Rain or shine, in every city and town, large and small across Canada.

12:00 PM in Vernon at Suite 206 3203 30th St, Colin Mayes office.

Your MP works for you. By gathering at their office we keep the pressure on.

Go to www.stopbillc51.com/rally to find your riding and MP.

We need an activated group of concerned citizens to represent the voice of the Natural Health community in each riding. There are 308 ridings across Canada. Make each riding active and join us in the Nation's natural health crusade.

Be responsible in your area to *lead or join* a group.

EDUCATE YOURSELF!
